

COVID-19 Response

HOTEC continues to monitor the developing news concerning COVID-19. We feel at this time; it is prudent to take precautions based on information disseminated by the CDC, which advises social distancing. We have implemented our pandemic mitigation plan and are taking the steps necessary to protect our members and employees. At this time, we will close lobbies at both our Rosebud and McGregor office, and they will remain closed until advised by the CDC to resume normal operations. We will, of course, continue to transact business via phone and drive-thru.

Please know as not only your local electric provider, but also as a partner in the communities we serve, HOTEC is here to continue offering excellent service to our members, and we will be here to help our communities in every way possible to recover from the damage this has created.

- We Serve Our Members
- We Take Care of Each Other
- WE WORK SAFE

We apologize for any inconvenience this may cause. Thank you for understanding—your HOTEC team.

You may contact us at: 1-800-840-2957; McGregor (254) 840-2871; Rosebud (254) 231-0444.

Our drive-thru remains open 8 a.m. – 5 p.m.

Attention Small Business Owners

Here are a few resource links for the SBA stimulus assistance.
